

International Information Systems Security Certification Consortium

The (ISSC)² Board of Directors hereby awards

Remi Bourdot

the credential of

Certified Information Systems Security Professional

Having met all of the certification requirements, which include the professional experience prerequisite, adoption of the (ISSC)² Code of Ethics, and successful performance on the required competency examination, subject to recertification every three years, this individual is entitled to all of the rights and privileges associated with this designation, as defined in the (ISSC)² Bylaws.
